Byrd Township Meeting.

The meeting of Byrd township Republicans was held at the court house in Jackson on Saturday March 2nd, pursuant to call of the county committee. The meeting was called to order by Fred E. Kies, chairman of the county committee; John G. Putz was elected secretary and Fred Clippard assistant secretary. The following resolution was offered by Mr. Kies and unanimously adopted by the meeting.

Resolved by the Republicans of Byrd township—the two precincts meetings jointly for the purposes of organization—that the following order of business or plan of procedure shall be adopted:

1. The two precincts to divide—the voters of Court House precinct to be seated on one side of the aisle; those of Turner Hall precinct on the other side of the aisle.

2. Printed ballots, bearing the names of both Taft and Roosevelt, are to be distributed to the Republican voters by two tellers representing both sides, to be appointed by the chairman, for each precinct.

3. The voters of each precinct to march up in orderly fashion to the rail of the bar, and deposit their ticket, folded once, with one of the tellers, who is to drop the same in a box or hat provided for this purpose, the tickets to be counted and called off aloud by the two tellers of each precinct.

4. Upon the completion of the vote and the announcement of the result the chairman of the joint meeting, shall, with the advice of not less than three of the leading adherents of the victorious presidential candidate, appoint a committee of three to select delegates favorable to the presidential candidate who received the largest number of votes of the Republicans of the respective precinct, and that the delegates so elected be, and they are hereby instructed to cast their votes for and in favor of the presidential candidate as the choice of the majority in the respective precinct.

The tellers appointed to receive the ballots were: Court House precinct, William Paar and Bernhard Gockel; the result of vote being Taft 42, Roosevelt 47. Tellers for Turner Hall precinct, William B. Schaefer and Warren L. Mabrey; result of vote, Taft 37, Roosevelt 32.

The chairman then appointed the following committee to select delegates: Committee, Court House precinct—John A. Snider, Bernhard Gockel and R. M. Sawyer. Delegates selected—Fred E. LOCAL AND GENERAL

—Frank Grant has sold his farm, located on the Oak Ridge road, to August Borgfield.

—The boats have begun to ply the rivers after a prolonged delay caused by the ice floes. The Georgia Lee was the first boat to land here, arriving Monday.

—The home of Fred Smith was totally destroyed by fire Saturday night about seven o'clock. The cottage was on Hanover street, but owing to the reflection on the snow it looked from our office like the whole town was ablaze. The property was partially covered by insurance.

—Marcellus McBride, twenty-six years old and unmarried, committed suicide at Kennett Sunday night. Disappointment in a love affair is said to have caused the rash act. McBride formerly lived in the Cape and was well known here.

—The Herald has been forced to reject several communications from country correspondents lately on account of their lack of new value. As previously stated, we are glad to receive items of news value from our subscribers and other readers, but we positively will not print items referring to the personal appearance and love-making qualities of belle and beau. This is not a matrimonial journal. What we want is news of interest to our readers as a whole, many of whom detest the gush and rot published in many county newspapers. We fully appreciate any efforts toward furnishing us news items, as marriages, deaths, real estate transfers, and visits from one town to another, but reference to visits in the immediate neighborhood can not be termed news. For live correspondents who will furnish us with printable news matter we are willing to pay liberally for the work required in gathering the same, but we do not want doggeral at any price. If you cannot send us the news, please save time and stamps.

—A move is on foot to erect a new five story hotel on Broadway in Cape Girardeau and bids are asked for. This is indeed a progressive move and meets with the approval of the people. Nothing adds to a city's attractiveness more than a modern hotel and if the plans of the investigators of the present project materialize another advance step toward the making of a greater

Cape Girardeau will be accomplished.

—A. C. Jaynes of Cape Girardeau was here looking after his interests in the P. M. Co's store. He is thinking of building a brick business house on his lots north of the flouring mill, this summer. He has confidence in the future growth of Puxico and believes we will have a fine city here some day.—Puxico Index.

—The supreme court of the United States has held that the people of any state in the union may legislate by direct vote if they choose to do so. So there is no longer any doubt about the constitutionality of the initiative and referendum, which has been adopted by Missouri, Oregon and other states. The late decision of the highest court in the land makes the Missouri law safe and sound, and the people have a way of escape from the domination of a state senate always controlled by the democratic partisan leaders for partisan purposes.

Repels Attack of Death.

"Five years ago two doctors told me I had only two years to live." This startling statement was made by Stillman Green, Malachite, Col. "They told me I would die with consumption." It was up to me then to try the best lung medicine and I began to use Dr. King's New Discovery. It was well I did, for today I am working and believe I owe my life to this great throat and lung cure that has cheated the grave of another victim. Its folly to suffer with coughs, colds or other throat and lung troubles now. Take the cure that's safest. Price 50 cents and \$1.00. Trial bottle free at all druggists.

Mrs. Henry Schutte of Don-gola was brought to Cape Girardeau Tuesday to be placed in the St. Francis hospital for treatment.
